 Innovation For Tomorrow's Designs™	Abrakon is a leading global manufacturer of passive and electromechanical timing, synchronization, power, connectivity and RF Solutions. Abrakon has recently expanded its product offering through the acquisition of ILSI, Ecliptek, Fox, MMD and Oscilent	Arrow, Avnet, DigiKey, Future, Master, Mouser, Newark, Richardson, Symmetry, TTI, WPG
	American Zettler has a long history of quality components focused on relays, control products and displays.	Allied, Beyond, Future, Heilind, Master, PUI, Relay Specialties, Tonar, Wes Garde
	Largest manufacturer of coaxial connectors for use in radio frequency, microwave and data transmission system applications	Allied, Arrow, Avnet, Bisco, DigiKey, Heilind, Hughes Peters, Master, Mouser, Newark, PEI, TTI
	Azoteq is a fabless semiconductor company and a pioneer in multi-sensor solutions offered on a single IC for capacitive sensing, hall effect, IR, PIR, inductive and ambient light sensing.	DigiKey, Mouser, Seltech
 ENERGIZING IDEAS is now part of Knowles	Cornell Dubilier Electronics along with <u>Illinois Capacitor</u> , <u>CD Aero</u> and <u>CDE NWL</u> is a technology leader and manufacturer of high quality capacitors used in demanding applications. .	Allied, Arrow, Carlton Bates, DigiKey, Future, Hughes Peters, Master, Mouser, New Yorker, Newark, PUI, Richardson, TTI
 A Brighter Idea	Futaba is an innovative manufacturer of display products including VFD, OLED offering integration and contract manufacturing solutions.	
 Electronic Hardware Manufacturers	Family owned manufacturer of slides, cabinets and accessories including standard and custom metal fabrication capabilities.	Brevan, Carlton Bates, Newark, Sager
